

Please do not take away xm instant weather and traffic.I drive a semi for Walmart in florida.As you all know weather and traffic in florida is a problem.I pay for this service as it is a tool to help me in my transport of goods to Walmart stores. It has been a life saver in time as we are on new logging.It has saved many hours for the company I work for.Thanks Barry Marccone phone 3522794365
